

General

Asset Field Services Pro is committing to ensure that its services are accessible to people with disabilities.

Accessibility on Asset Field Services Pro makes available the UserWay Website Accessibility Widget that is powered by a dedicated accessibility server. The software allows Asset Field Services Pro to improve its compliance with the Web Content Accessibility Guidelines (WCAG 2.1).

Enabling the Accessibility Menu

The Asset Field Services Pro accessibility menu can be enabled either by hitting the tab key when the page first loads or by clicking the accessibility menu icon that appears on the corner of the page. After triggering the accessibility menu, please wait a moment for the accessibility menu to load in its entirety.

Disclaimer

Asset Field Services Pro continues its efforts to constantly improve the accessibility of its site and services in the belief that it is our collective moral obligation to allow seamless, accessible and unhindered use also for those of us with disabilities.
